Welcome

Welcome to the third newsletter of DESK project. This issue provides new updates following the fifth and sixth meetings, which were organised online due to the current global situation related to COVID-19.

Here you will find out what has been done so far regarding the project implementation and details about the next steps.

We thank you for showing interest in this project. Make sure to recommend the products of this project to your learners, colleagues and friends.

Project Implementation

Erasmus+

What we want to do

In the coming months, project members will be focused on developing the Online Guide for Using DESK Toolkit and on testing the modules which are already prepared.

Regarding the meetings, they will be organised online for the next two months, and if current global situation allows so in October the meeting in Malta will take place.

What we have already done

- ✓ IO 4.1 Creating Course Content and convert to SCROM e-learning format.
- ✓ IO 5.1 Creating the framework of concepts.
- ✓ Dissemination activities: WEBEX meeting on June to promote the project among Teachers/Adult Learners

Project Partner Meetings

Fifth Meeting, 29/04/2020

Status of the IO 4 was presented and discussed among the partners, and new deadlines regarding the output were set in order to advance with its development.

Sixth Meeting, 19/06/2020

IO 4 was reviewed among the members, the DESK LMS was discussed in order to reach an agreement regarding its structure, and the draft version of the Guide from IO 5 was presented.
