

european development agency

EUROPEAN DEVELOPMENT AGENCY - EUDA

EUDA NETWORK

European cooperation to the next level.

EUDA: LOCAL IDEAS, EUROPEAN IDEALS.

WHY EUDA NETWORK?

Is EUDA Network for your organisation?

YES! EUDA Network reunites organisations experienced in managing European funds. EUDA Network **encourages organisations with no experience to join**. EUDA Network is **open to public and private entities**.

Will cooperation be easy with EUDA Network?

YES! Joining EUDA Network will help your municipality **gain strategic contacts, and start and/or join projects** **cosortia**. So, international project **cooperation becomes a structured, guided, and greatly simplified process**.

Is it cost-effective to be a member of EUDA Network?

YES! If you become **EUDA Network member**, you benefit from project **consultation services covered by the fixed price of the annual membership**. Also, being a paying EUDA Network member **respects public procurement and project budgeting rules**.

EUDA NETWORK IN ACTION

There are **funding opportunities designed for all types of organisations**. Discovering and accessing these programmes become **easier when assisted by EUDA as an experienced project writer and manager**. Access today, among others:

- [Citizens, Equality, Rights and Values](#)
- [Interreg](#)
- [European Regional Development Fund](#)
- [Erasmus+](#)
- [Creative Europe](#)
- [Connecting Europe Facility](#)
- [Visegrad Fund](#)
- [European Institute of Innovation and Technology](#)

How does an EU project look like?

How can EUDA Network help?

Example I:

CERV Network of Towns	EUDA Network membership
<ul style="list-style-type: none"> • brief application form • 5+ applicants consortia • lump sum funding • eg. €100.000 per project • 60% prefinancing guaranteed 	<ul style="list-style-type: none"> • EUDA finds and involves needed partners • EUDA explains to you the funding framework • EUDA helps with application process formalities

Example II:

Interreg	EUDA Network membership
<ul style="list-style-type: none"> • complex application form • 10+ applicants consortia • EU funding up to 85% • €1-2 million per project • 3-5 year-long projects 	<ul style="list-style-type: none"> • EUDA helps you start or join an Interreg consortium • EUDA explains to you the funding framework • EUDA supports you with the creation and implementation of Interreg Work Packages

SUCCESS STORIES

DISTRICT PRAGUE 9, CZECH REPUBLIC

Czech municipality that successfully checked the funding programmes.

District Prague 9 has been working with EUDA for 9 years. Ever since, EUDA has been actively assisting Prague 9 to access and manage European funds under diverse programmes. Committed to improving the living standards of the district citizens, Prague 9 representatives have been implementing with the help of EUDA projects like:

Project – Interreg, AGORA: Advanced coGeneration Options for Reintegrating local Assets

Result – reintegrate vacant buildings and land into the city by increasing public administration capacity

Project – Interreg, CHESTNUT: Comprehensive Elaboration of Strategic Plans for Sustainable Urban Transport

Result – improve urban mobility by expanding the bicycle sharing system in the district

Project – ERDF European Regional and Development Fund, URBACT III: Procure

Result – start up local economies by using new public procurement methods

Project – Europe for Citizens, H2O Engaging Citizens for the Protection of Water Resources in Europe

Result – exchange good practices between towns to increase environmental protection

YOUR BENEFITS

CONNECTIONS. Connect now, collaborate in the future.

EUDA Network members obtain new critical contacts, have access to wider pools of partners, and join more diverse projects. More networking and strategic contacts home and abroad will help you form new, respectively reinforce existing project partnerships for a wider range of funding programmes.

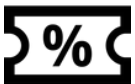

INFORMATION. Information now, implementation in the future.

EUDA Network members are timely informed about open calls, partnership prospects, online webinars, and trainings. The targeted communication between EUDA Network members will give you access to relevant information and deployable expertise from trusted sources.

VISIBILITY. Visibility equals opportunity!

EUDA Network members' basic information and logo are included on EUDA website, EUDA social media posts, and specific EUDA marketing materials. The increased visibility within the EUDA Network offers positive publicity at national and European level, thus improving the visibility of your organisation.

FEE DISCOUNTS. A fee that will pay off.

EUDA Network members can join unlimited projects facilitated by EUDA. Being a member of EUDA Network can bring you additional funding via more approved grants. Yet, if you opt for the paid-for plans (Contributing & Premium), your success fee gets progressively smaller.

PRIORITY. Fitting projects for the fittest members.

EUDA Network members have priority in selecting the projects and partners for individual collaborations. The members are offered projects which align with their vision, mission, and resources. Premium members have priority deciding which projects to join and which partners to collaborate with.

GUIDANCE. Guidance equals performance!

Contributing and Premium members have access to online consultations on project writing, implementation, and reporting. You receive assistance from experienced project managers and consultants on project paperwork and application procedures. Premium members are invited to all-inclusive in-person trainings in Prague.

YOUR IDEAS, OUR INPUT

When becoming involved in a project of EUDA Network, your organisation, as a EUDA Network Contributing/Premium member, benefits from the following services:

INITIAL PLANNING

- **preparing a work plan** for the development of the project application;
- **searching and engaging partners** to form the project consortium;
- **establishing contact and maintaining communication** with the project partners throughout the development of the project application.

BUDGETING

- **drafting and refining the project budget** based on the partners' input/capacity;
- **ensuring compliance with eligibility criteria** via strategic analysis;
- **completing the financial forms/procedures** based on the funding guidelines.

APPLICATION DRAFTING

- advising on **European frameworks and actions** relevant to the project topic;
- advising on **compliance with call objectives**, implementation, expected impact;
- advising on **fulfillment of evaluation/award criteria**;
- advising on **creation and implementation of the project work packages/deliverables/milestones/objectives/outcomes/results**;
- **drafting content for project sections** on management, monitoring, quality assurance, impact, dissemination, sustainability, evaluation, ethics, etc;
- **editing and compiling project application sections** and annexes (budget overview, Gantt charts, etc.).

APPLICATION SUBMISSION

- providing **critical review and feedback** on the project application;
- ensuring the **completion of the administrative forms/annexes**;
- **compiling the final format** of the project application;
- **submitting the project application** in due time;
- **linguistic advice** (jargon, professional English review, content and structure).

SIMPLE SIGN UP

1. Explore the EUDA Network membership plans.

Each membership includes benefits proportionate to the price of the plan. The full spectrum of benefits includes: access to EU funding, tailored information, boosted visibility, professional guidance, project selection priority, in-person trainings, and progressively reduced fees.

2. Select your plan by filling in the subscription form.

The subscription form is a 2-minute electronic form via which EUDA collects basic information. By filling in this form, you do not obtain EUDA Network membership. No payment will be processed at this stage.

3. Receive, electronically sign, and send back the EUDA Network contract.

After you submitted the subscription form, we will process your request. All communication from EUDA will come from partnership@eracr.cz. You will receive via email the EUDA Network contract. The contract has two annexes: EUDA Network Terms & Conditions and Data Processing Agreement. The contract and the annexes cover the financial and technical aspects of the membership plans. Once you electronically signed the contract, EUDA legal representative will countersign it. After this, EUDA Network membership plan becomes active, membership can be renewed yearly. If you need further clarifications, please contact us at partnership@eracr.cz.

Congratulations, you are a member of EUDA Network!
